

1001
DAYS
TO STOP
ALL WAR

Wars **KILL** people, animals, plants, and the environment. War preparations steal \$2000 BILLION annually from the poor. Yet according to international law and the UN Charter **wars are legal**. Lets **PROHIBIT** wars and stop this madness!

Article 109-3 Charter review is that Promise with the spirit of changing or replacing the Security Council and adding **people power**. Our existential goal is to focus peoples and leaders in **upholding the SF promise in 1001 days!**

HOW TO PARTICIPATE?

Think of a message where you express what war kills, why wars everywhere must stop or why the international community needs to prohibit wars

Write your idea in a statement or phrase of **25 words** maximum

Send your statement to a private message of CUNCR Twitter account **@CUNCRthinktank** or the one of our Executive Director **@S.M.Sharei**. If you don't have Twitter don't worry! you can participate by sending it to **peaceAmbassador@cuncr.org**

Don't forget to send your name, country and **authorize us** to tweet in your name! If you want us to tag you also add your Twitter username.

Each month we select 3 youth with best tweets from around the world to be the recipients of a **modest cryptocurrency prize**.

Unite Against the War !

We strive to galvanize the global citizens to **STOP ALL WARS**.
